AERIAL MAPPING · LAND SURVEYING · UTILITY MARKOUTS

AN MFS COMPANY

The Fall 2021 newsletter puzzle solution

Solution = 4.

For each circle, take LL (lower left), subtract OUT (outside & below), add LR (lower right) to get TOP. For example for the top left circle, $4 - 9 + 7 = 2$. Therefore for the circle with the ? in it, $3 - 6 + ? = 1$ means that the ? has to be 4 for the math to consistent with the 3 other circles.

Don DiZuzio was drawn at random from the responses received and will receive a \$200 Amazon Gift Card. Congratulations Don!

Thanks to everyone who participated!
